## **About The Little Aussie Bakery & Cafe**

Established 2006 by Australian registered nurses Rita Sturzbecher & John Apostolovic as a dedicated gluten-free experimental kitchen. Built on the premise that it is possible to create gluten-free food that meets the dietary needs of growing numbers of gluten intolerant, while celebrating all the best that food has to offer in taste and texture, regardless of dietary issues.

Validation came in 2011 when Rita was recognized as one of the top 10 artisan bakers in the U.S. by Dessert Professional Magazine. After tasting our products for yourself, come and enjoy a meal and so much more at our Bakery & Cafe right here in San Antonio Texas. Rita sees to it that all of our staff are more knowledgeable than our customers, so there's nothing you can't ask and you won't be left guessing!
